

Image Box

The Image Box is a beautifully finished display piece designed to hold images that deserve to be spotlighted as individually matted portraits. Display on a coffee table or add an easel and showcase a select image, an Image Box collection of prints is truly a work of art.

The Image Box is perfect for parents with Watch Me Grow plans for their children. It can hold a treasure of favorite images in addition to a wall portrait for your family sessions and works great as a guest book for engaged couples.
