

## MetroLeather Album

Present your images in a classic style. These mat-style albums have quality cover materials and designer paper lining. This is the album that set the industry standard.

The Metroleather album is a perfect choice for a mat-style wedding album. The 5x5 size becomes a perfect companion or parent album to match your 10x10 wedding album!

### Cover Materials

Metroleather, Chapparral leather, Fashion Palette, or Urban leather.

Many color options are available with corresponding material selection.

### Cover Options

Image cut-out, embossed designs, and oval cover options.
