

## Basics WEDDING PACKAGES

Our Basics Packages are designed to put your investment where it will provide the most irreplaceable service your photographer provides: the creation of images during your wedding day.

- \* Photography **coverage starting anytime** you wish, up to two hours before the ceremony
- \* CD/DVD **electronic presentation**
- \* Full resolution **digital files** will be provided to you on your first anniversary
- \* **Online posting** of copyright-protected wedding images for 90 days

### *Willow*

Includes coverage until the end of the wedding reception, with a maximum of ten hours coverage.

### *Cedar*

Includes coverage until two hours after the first course of dinner has been served to the bride and groom.

### *Juniper*

Includes coverage until the toast, or dinner is being served.

### *Alder*

Includes coverage until the beginning of the reception.

At anytime you may elect to have your images refined and presented in finished albums, frames or other available items at a level that best suits your preferences (see "ala carte pricing").

These packages are a starting point and there are many options available such as traditional proof books, larger dimension and different styles of wedding albums, and modifications to your package's coverage, such as starting your coverage at the ceremony instead of earlier.
