Maple

Photographic coverage may begin up to two hours before the ceremony and conclude at the end of the wedding reception, with a maximum of ten hours coverage. Your best images will be presented in a finished album with 120 images and 50 pages (sides).

Oak

Photographic coverage may begin up to two hours before the ceremony and conclude two hours after the first course of dinner has been served to the bride and groom. Your best images will be presented in a finished album with 80 images and 40 pages (sides).

Hickory

Photographic coverage may begin up to two hours before the ceremony and conclude when dinner is served. Your best images will be presented in a finished album with 60 images and 30 pages (sides).

Birch

Photographic coverage may begin up to two hours before the ceremony and conclude before the wedding reception. Your best images will be presented in a finished album with 40 images and 20 pages (sides).

These packages are a starting point and there are many options available such as traditional proof books, larger dimension and different styles of wedding albums, and modifications to your package's coverage, such as starting your coverage at the ceremony instead of earlier.
